Answer

MINISTER OF STATE OF THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI HANSRAJ GANGARAM AHIR)

(a) to (b) The concept of 'plug and play' model is visualized as a part of creation of Infrastructure facilities under Draft 'National Chemical Policy' for the growth and development of chemical industry. The Draft 'National Chemical Policy' is still under examination by the concerned Ministries/ Departments. 'Plug and Play' system will also require concurrence by the concerned state government.
